

# City of Donalsonville designated as a RURAL Zone

Each designation lasts for five years, and activities to begin earning tax credits within the new Rural Zone begins Jan. 1, 2021. The program includes the following Georgia state income tax incentives which are utilized for jobcreation activities, investment in downtown properties, and renovation of properties. The credits can be layered, but none are available without the job creation element being present. The Job Tax Credit is equivalent to \$2,000 per new full-time equivalent job per year for up to 5 years. The Investment Credit is equivalent to 25% of the purchase price of a property within the designated Rural Zone (not to exceed \$125,000). The Rehabilitation Credit is equivalent to 30% of the qualified rehabilitation costs of a building located within a designated Rural Zone (not to exceed \$150,000). Applications for Rural Zones are available each year. For more information, visit [dca.ga.gov](http://dca.ga.gov).
